WORK EXPERIENCE

Senior Audio Visual Engineer

The Aspen Group (TAG) · Chicago, IL — Sep 2025 to Present

- Train and technically lead TAG's five-person IT team in AV, including escalation paths and system standards.
- Ran the room upgrades: four Neat meeting rooms, a Neat and Q-SYS boardroom, and six divisible training rooms for 120+ people.
- Designed the IT asset processes, then built and rolled out Census: 36 people use it each week, and it gives back about 314 hours a month.
- Support TAG's C-Suite and other executives directly on AV, endpoints and connectivity.

Audio Visual Specialist II

Discover · Chicago, IL — Feb 2025 to Sep 2025

- Led and mentored a team of five Level 1 technicians.
- Balanced break/fix across 568+ meeting rooms at six locations against installation and programming projects.
- Built the team a room-check app and an inventory tool in Power Apps and Power BI.

Audio Visual Technician Tier 2

Abbott · North Chicago, IL — Oct 2024 to Feb 2025

- Worked with stakeholders to configure and integrate Accruent EMS so event scheduling matched how teams booked rooms.
- Serviced 160+ meeting rooms across five Chicago-area sites and kept AV assets current in the ServiceNow CMDB.

AV Support Specialist

Kirkland & Ellis · Chicago, IL — Mar 2024 to Jun 2024

- Led staff demonstrations of new Excel and Office features, which raised adoption.

Audio Visual Technician

Loyola University Chicago · Chicago, IL · Part-time — Jan 2021 to May 2023

- Ran AV for six or seven campus events a week, coordinating with IT Services on maintenance and upgrades.
