

John Geddes

Audio Visual Engineer

Chicago, IL 60618 · (612) 790-3691 · johngeddes@pm.me · johngeddes.org · linkedin.com/in/therealjohngeddes

Audio visual engineer with five years across corporate, legal, healthcare and higher-education environments. Currently leading an enterprise AV modernisation on Q-SYS, Crestron, Biamp and Shure, and supporting the executive floor while it happens.

EXPERIENCE

TAG — The Aspen Group

September 2025 – Present

Senior Executive Desktop Support Engineer

Chicago, IL

- Lead the modernisation of enterprise AV across the company, standardising on a Logitech ecosystem and deploying Q-SYS, Crestron, Biamp and Shure to bring failing rooms back to reliable service.
- Act as senior technical lead on the AV engineering team: set priorities, coordinate project execution, and train junior staff on escalation paths and system standards.
- Support the full C-Suite directly, resolving AV, endpoint and connectivity problems fast enough that executive operations do not stop.

Discover

February 2025 – September 2025

Audio Visual Specialist II

Chicago, IL

- Ran break/fix support across an enterprise Microsoft Teams estate, troubleshooting Cisco hardware and Lenovo ThinkPad systems.
- Installed and programmed Crestron, Q-SYS and Biamp systems, and the networking behind them, across conference and collaboration spaces.
- Managed equipment health proactively through Crestron Toolbox, Q-SYS Designer and Biamp Tesira rather than waiting for tickets.

Abbott

October 2024 – February 2025

Audio Visual Technician Tier 2

North Chicago, IL

- Optimised conference-room workflows in a Cisco ecosystem, integrating Biamp, QSC, Shure, Sennheiser, ClickShare and ClearOne components.
- Monitored estate health through Crestron XiO, Crestron Toolbox, Q-SYS Designer, Vyopta, ThousandEyes and Webex Control Hub, addressing performance issues before they were reported.
- Tracked AV assets against the ServiceNow CMDB to keep inventory records accurate.

Kirkland & Ellis

March 2024 – June 2024

AV Support Specialist

Chicago, IL

- Configured Cisco and Crestron systems with Shure microphones across the firm's conference spaces.
- Set up and coordinated rooms for client meetings across Zoom, Microsoft Teams and WebEx.

Loyola University Chicago

January 2021 – May 2023

Audio Visual Technician

Chicago, IL · Part-time

- Ran AV for internal and external campus events, operating and maintaining analog equipment, mixers, Crestron systems and projectors.
- Partnered with IT Services on equipment maintenance and upgrades across campus.
- Configured and troubleshot Microsoft Teams and Zoom for campus-wide video conferencing.

EDUCATION

Loyola University Chicago

Bachelor of Science, Computer Science · Minor in Philosophy · 2019–2023

Student Government representative for the Computer Science department.
